*Welcome to the Centennial Celebration of  
the Zonta Club of Washington, D.C.!*

As Zontians, we believe that a better world for women and girls is a better world. We invest our time, money and talents to support local and international service projects and scholarships that benefit women and girls. Cumulatively, our club has awarded more than \$2 million in scholarships for women students at colleges and universities in Washington, D.C.

Our mission and values remain as steadfast today as when our club was founded by a group of women executives in 1922.

One century later, the Zonta Club of Washington, D.C. is the 12<sup>th</sup> oldest Zonta International club and one of only a few member organizations with a legacy of 100 years of service to benefit women and girls in the Nation's Capital of The United States of America.

Today we celebrate our 100-year legacy of ongoing service to create a world where women's rights are recognized as human rights and women as well as girls are empowered to achieve their dreams.

Thank you for joining us to celebrate the women whose shoulders we stand on and next to today – as we honor the contributions of trailblazing, courageous Zontians of the Washington, D.C. area during the past century and begin our 101<sup>st</sup> club year and our next century of service.
